

Quilt Raffle

NAMI-Door County / JAK's Place is raffling a queen size quilt made using a variation of the "Confetti" pattern. The top contains over 1500 1-1/2 inch pieces, in blues and white. The quilt has quilted hearts and stippling in the outside white border. The quilt was donated by Bettie Greenwood of Aylett, VA. The drawing will be held at JAK's Place, 820 Egg Harbor Road, on September 15, at 2 PM, while we celebrate JAK's 6th anniversary with an Open House. Tickets are \$5.00 apiece, or six for \$25.00.

Bettie has machine pieced and quilted over 60 quilts. After having made quilts for many friends and relatives, donating quilts to charities has become a primary focus.

The quilt is made of hundreds of colorful small pieces
