

## *Our Group Poem*

*One day in the forest...  
A tree fell-  
Making a perfect spot to sit and fish  
For patchwork thoughts  
And shadowed light.*

*The view:  
Blue and purple  
Sitting among friends.*

*When the tree fell,  
it fell in the water--  
that's how it got in the picture.*

*Enjoying life; watching new life begin.  
Watching TV  
at the edge of a moment.*

*I'm going to cave point  
and building a boat  
Colors surround us*

*Going for a walk with a friend;  
Eye-catching different designs  
Watching the birds and butterflys fly*

*While swimming in the ocean waves: I notice a fish.*

*The End.*
