## What's Happening:

### BART THIRY – NAMI-JAK's Place WALK – RUN

Our original dates for recognizing May as Mental Health Month, May 11<sup>th</sup> and 13<sup>th</sup>, were rained out. Tuesday May 18<sup>th</sup> was a beautiful spring day in Door County and our first endeavor for raising funds for JAK's Place was a huge success. Thanks to all the walkers, runners and their sponsors, we were able to collect around \$1300 in donations.

We especially want to thank Roy Jilburg for his assistance along with Dr. Anne Miller, and Paul Klapatch for their organizational skills for this event. All of our staff participated in various ways, donating their time and energy as well.

### MONDAY JUNE 14<sup>th</sup> NAMI MEETING

6:00-7:00 pm Share & Care support Group with Roy & Nancy  
 7:15 Monthly Meeting and Program

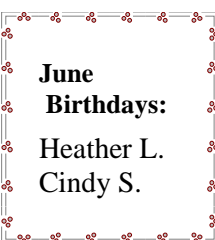

Sheryl Flores has been doing a wonderful job as our program chair this year. Last month's presentation by Carmen Revelle drew a large crowd and good discussion on Bi-Polar Affective Disorder.

David Hemery, Door County Assistant Corporation Counsel will be the presenter for our June 14<sup>th</sup> meeting and has agreed to speak on the subject of Civil Commitment Orders Chapter 51.20, Protective Placement/Guardianships Chapter 55, 90 day hold opens, and three party petitions.

Please join us for this meeting and bring any questions you might have regarding these topics. As always we will have beverages and treats available at 7:00pm.

**IN THE GARDEN**, the first lettuce, radishes, and peas are up. There are a lot of additions and

improvements going on. The rain barrels will soon be in use, saving on our water bill. If plants don't get enough when they are young, they don't develop well; they grow small and crooked and don't produce good fruit or roots.

### THANK YOU TO THE FACILITY CREW

Please notice all the improvements that the facility crew has been working on these past three weeks. The stairs finally in compliance; sidewalk repairs, sanding and staining of railings, and additional raised beds. We appreciate the help of Paul & Jim Klapatch, Todd Barlament, Mark Moeller, Seth Wiederanders.

Jim Klapatch, brush dancer

### IN KIND DONATIONS ARE ALWAYS WELCOME

- Thanks to the Sturgeon Bay Moravian Church for their recent donation of food. It was appreciated by our Tuesday Evening Dinner Group and also the Saturday Work Crew. Thank you to Jill Kolodziej for thinking of JAK's Place for this donation.
- John Mann has donated huge barn beams for the two additional raised beds behind JAK's Place. These beams survived the Peshtigo Fire and still have the scars from that disaster.
- Pat Klapatch of Green Bay has supplied us with three Rain Barrels for our gardens. We are determined to save on our watering bill this summer!
- Kraig Kemp — a big, beautiful outdoor thermometer.
- Anonymous— much-needed DVD player for upstairs.
- And a big hand for Jill Kolodziej, our new kitchen volunteer

The best gardens are human gardens, tended by loving, attentive hands. There is an exchange of love in a garden. The gardener's time is well rewarded, not only with healthy food at harvest time but with a feeling of accomplishment in every moment.
